

# Freedom House Recovery Center

*Integrated behavioral health care for children and adults*

## Psychiatrist

Freedom House Recovery Center, Inc. is seeking a licensed **Psychiatrist** with at least two years of experience to join our multi-disciplinary team of professionals.

Freedom House provides a full array of mental health and substance abuse treatment to adults, children and families in the Central region of North Carolina.

The psychiatrist will ensure quality psychiatric care for clients including: screenings, evaluations, medication management and consultation at clinic sites in Chapel Hill, Roxboro, Durham, and Warrenton (via telepsychiatry) as well as our Chapel Hill facility-based crisis unit.

Must have experience in serving high-risk populations with mental health and substance use disorders. Child experience preferred. Certification to prescribe buprenorphine preferred and must be pursued upon hiring. Must be Board certified and licensed in North Carolina.

Freedom House offers a competitive compensation and benefit package as well as opportunities for a varied work experience and on-the job training.

Interested parties should send a CV and cover letter to:

Ivy Williams, MSW, Director, Human Resources
