

affiliate membership

Affiliate Membership

Individuals or businesses not eligible for Benchmarks' full membership but are involved in an allied profession or have interest in or support the behavioral health, intellectual/developmental disability, substance use, child welfare or other related professions are eligible for our Affiliate Membership. Membership dues are \$7,500 annually.

Affiliate Membership

Benefits include but are not limited to:

- ✓ Being a part of a unified voice on important child welfare and behavioral healthcare issues;
- ✓ Receiving regular, exclusive legislative, policy, state and national updates;
- ✓ Training opportunities at discounted rates to develop and improve the knowledge and skills of executives and staff;
- ✓ Free quarterly display opportunities at our highly attended Public/Private Behavioral Health Forum open to members and non-members;
- ✓ Advertisements in our marketing products;
- ✓ Connections with your customers and prospects—we will share press releases or updates that announce exciting news, share your expertise, etc. through our listserv that reaches over 8000 stakeholders;
- ✓ Discounts to public meetings;
- ✓ AND MUCH MORE!
