

## Clinical Supervisor

Anuvia Prevention & Recovery seeks a full time Clinical Supervisor for the Residential Services Program at the Samuel Billings Center.

A Master's degree in human services field is required. North Carolina LCAS required. Dual licensure and CCS preferred. Minimum 2 years of supervisory experience is required.

Complete 2<sup>nd</sup> Level Involuntary Commitment Examination as needed. Must have or obtain First Aid, AED and CPR Certifications. Knowledge of applicable laws and regulations and departmental policies and procedures are required at this level.

Valid NC or SC Driver's License required. Interested candidates should send letter of interest and resume to [Andrea.Skidmore@anuvia.org](mailto:Andrea.Skidmore@anuvia.org). <EOE>

The primary role of this position is to provide clinical supervision to paraprofessional and professional staff providing direct care to consumers admitted into Anuvia's Residential Treatment Program at the Samuel Billings Center.

Some of the duties of this position include, but are not limited to, the following:

- Manage the clinical functions of the Residential Treatment Program
- Coordinate program clinical services with other state and local agencies
- Assure compliance with established standards for clinical supervision and supervision documentation
- Assure accurate and timely clinical documentation in accordance with Federal, State and Anuvia policies
- Participate in peer review processes and generate formative reports
- Train, evaluate and manage workloads of direct reports
- Enforce organization policies and procedures, and health, safety and security rules
- Monitor consumer satisfaction with services delivered
- Liaison with internal and external agencies and departments to ensure appropriate services
