

Methodist Home for Children

Methodist Home for Children, headquartered in Raleigh, is a 501(c)(3) that works to ensure safe, nurturing homes for children while working to eradicate the social and family problems that lead to abuse, neglect, family disruption and abandonment. We provide community-based services for children and families throughout North Carolina. We partner with public agencies to serve children in crisis and we raise private funds to ensure that we can deliver the best in evidence-based services.

Methodist Home for Children employees enjoy paid training, ongoing supervision and support, excellent benefits after 90 days of employment, a team environment and a rewarding atmosphere.

Teachers: Lumberton, NC; Winston-Salem, NC

The **Teacher** plans and implements a comprehensive individualized education program for each juvenile resident on a year-round basis (up to eight youth at a time). The Teacher will operate the school program in compliance with all approval and accreditation requirements specified by the North Carolina Department of Non-Public Instruction. This includes, but is not limited to, recording daily classroom attendance, filing immunization records, and conducting an annual audit. The teacher will develop a curriculum for each student that meets the North Carolina standard course of study requirements for the individual youth's grade level.

Qualifications:

- Must be twenty-one (21) years of age
- Minimum of a Bachelor's Degree from an accredited college or university
- Appropriate current, valid teaching certification as specified by the North Carolina Department of Public Instruction
- Minimum of two (2) years teaching experience with adolescents, or direct residential experience with the target population is preferred
- Must maintain a valid Driver's License and an acceptable driving record

This position is ideal for NC Licensed Teachers seeking a non-traditional classroom setting where creativity and innovation are encouraged.

Assessment Psychologist: Butner, NC

Our Juvenile Assessment & Crisis Centers serve boys and girls with histories of mental illness, neglect, trauma, or substance abuse. Referred by juvenile court counselors, youth stay 14 to 30 days for comprehensive testing and observation under the supervision of a licensed psychologist and licensed clinical case managers. They leave with a plan of care that maps out their strengths, areas of focus, goals, and services in their community that can help (therapy, counseling for substance abuse or mental health, educational/vocational training or other).

The **Assessment Psychologist** will support the implementation of Assessment Center protocols employed in service delivery, oversee psychological testing for clients, and ensure appropriate assessments are completed for individuals served. The person in this role will have the opportunity to work with three other licensed psychologists in consultation, research, and potential publications.

Qualifications:

- Doctorate Degree
- Current license with NC Psychology Board
- Full-time, direct service provision experience in diagnosing, treating and evaluating the effectiveness of treatment of the client population served
- Advanced writing and editing skills, with strong written and verbal communication and presentation abilities
